COMING SOON ~ Ladies of WPC: This is your chance! Have you ever wanted to be a hostess of a dinner party just to show off your best china you never get to use? Or maybe, you love to use those colorful paper plates and match them with plastic glasses and funny napkins to create a whimsical table, or maybe you would just like to play hostess to a table that someone else has decorated! Whatever you think is fun – we have a place for you in the “*Table Top Brigade*.” Next October the Fellowship team is hosting a (hopefully annual) new fundraising effort. We will supply the food, entertainment and all of the details, but you will each set your own tables of 8 with linens, china, silver (or paper and plastic) and centerpieces or host a table already done for you – your choice. Oh yes, we will give you all the help you may need to pull off a really fun activity which will help to raise funds for the Fellowship Hall Kitchen addition (phase 1B of the original building plans) and bring in friends and neighbors to see what WPC is all about. Sound interesting? Want to hear more about it? Call Joan McMillan at 281-474-4089 or email her at dogsrfun@juno.com. We will be able to have 20 tables set so, hurry and join the *Table Top Brigade* before they are all gone! the "deadline" for lassoing a table is June 15th" and we have several left so don't be left out - call or email today!

Audio-Visual Team – It's Not Just A Volunteer Position, It's An Adventure! OK, that may be a bit much, but there is a lot happening in AV at WPC and you could be a part of it. There's the sound system and lighting for the Sanctuary, and now the newly installed projection system. We provide the audio support for our praise band, Joyful Noyz, and we have a need to provide WPC with an AV Library to help better utilize our resources. And there are more plans on the horizon. Interested in becoming a part of this exciting aspect of WPC's ministry? Please contact Chuck Moede, and become one of the few, the proud, the AV Team!
